

## Three Killed In Easter Weekend Traffic Accidents

### CHURCHES ARE CROWDED FOR EASTER; MANY VISIT 'FIELD

Thousands of Adams Countians jammed church services Sunday for Easter, the Feast of the Resurrection of Christ. Joining the local Christians at the services were hundreds of tourists who had filled hotels and motels to overflowing for visits to the battlefield during the holiday period.

National park officials said 41,049 toured the field during Holy Week. During the last three days of the week 26,468 were here.

At St. Francis Xavier Catholic Church here, more than 300 members of the parish took part in the first services of Easter—the revived ancient liturgy of the blessing of the new fire, the blessing of the holy water and the renewal of baptismal vows starting at 10:45 Saturday night preceding the "Midnight Mass" marking the Resurrection Sunday services. Approximately 1,700 attended five other Masses later Sunday morning.

#### FOLLOW EARLY CUSTOM

Following the custom of the early church, the parishioners at St. Francis Xavier were in darkness at the beginning of the liturgical service Saturday night while a new fire was struck from flint and steel to light the large paschal candle as a symbol of "Christ, the light of the world" and which will burn at services through the Easter season. To symbolize the "light of Christ extending to the world" each parishioner had a small candle which one after another were lighted as the paschal candle reached the altar in a procession. Blessing of the water as symbol of the washing away of sins followed, along with the renewal of baptismal vows. Shortly after midnight the Mass began with the singing of the "Gloria in Excelsis Deo," symbol of the joy at the resurrection of Christ. The church organ, which had been silent since Holy Thursday, played for the "Gloria." Church bells which had not rung since Thursday were sounded simultaneously.

Statues which had been hidden by coverings for two weeks, representing the flight of Christ from those who would make him king, were uncovered as part of the symbolism of the Resurrection.

Rev. Fr. Joseph Kealy, pastor of the church, praised the congregation stating, "The devotion of our people during Holy Week was most edifying. We commend you for an inspiring manifestation of your faith and devotion."

#### MANY TOURISTS HERE

Similarly in Protestant churches throughout the area, beginning with Easter dawn services at a number of sites and continuing with special services through the morning at the churches thousands gathered in observance of Easter. The local union Easter sunrise service was held on Oak Ridge at 6:30 o'clock. The speaker was the Rev. John Vannorsdall, chaplain of Gettysburg College. At all of the services special Easter music was featured by the choirs.

The visitors over the Easter holiday brought the number of tourists visiting the field since the beginning of the year to nearly 200,000. In January 22,101 were here, in February 26,331 and in March 70,248. Then 41,049 were added during the week of April 8 to 14. The report shows 196 buses laden with tourists visited the battlefield during last week.

### Man Flushes Out City Hall

SAN FRANCISCO (AP)—Mail carrier Noel Volz, 32, broke into City Hall Sunday and turned on firehoses on all four floors.

In a half-hour he had created rivers running up to four inches deep and had sent water cascading down an elevator shaft to the basement. Police said he broke a dozen windows, overturned lobby displays, stripped trees in City Hall Plaza and threw the limbs into the fountain pool.

Volz told newsmen he chose Easter because, "If anything, it's the proper time. I've been wanting to do this for a long time. I thought City Hall needed a flushing out."

He was booked on charges of suspicion of burglary resisting arrest, assaulting a police officer and malicious mischief.

### Estes Is Given 15 Years More

EL PASO, Tex. (AP)—Bankrupt promoter Billie Sol Estes was sentenced today to 15 years in prison for mail fraud and conspiracy in manipulating worthless fertilizer tank mortgages worth \$24 million.

U.S. Dist. Judge R.E. Thomason overruled a defense motion for a new trial. He described the one-time millionaire financier as "the most gigantic swindler in history."

Estes was convicted March 28 by a federal jury in El Paso on five of 14 counts in an indictment resulting from his complicated mortgage deals with farmers and finance companies. Estes received the sentence with his usual impassiveness. He did move his lips slightly when Thomason castigated his conduct as a swindler. Estes wore his customary black suit, black tie and white shirt.

Estes, whose financial empire of fertilizer tanks, grain storage and cotton allotments collapsed a year ago, was given an eight-year prison term last November on state charges growing out of his fertilizer tank mortgages.

### 4-H Flower Club To Be Organized

A 4-H Flower Club, sponsored by the Gettysburg Garden Club, will be organized Saturday morning at 10 o'clock in the West St. branch bank, it was announced today.

Mrs. R. T. Powell, of the Garden Club and Mrs. Helen D. Tunison, county extension home economist, will be in charge of the organization assisted by Miss Ann Lott.

They urged all boys and girls between the ages of 10 and 20 to be present at the organization meeting to learn how the club assists those who are interested in growing flowers.

### High School Boy Admits Killing, Assaulting And Dismembering Girl's Body

By BILL STALL

RENO, Nev. (AP)—Thomas Lee Bean, 18, a 6-foot gangling high school youth, admits, says Dist. Atty. William J. Raggio, killing blonde Sonja McCaskie, 24-year-old secretary and ski instructor, raping her and cutting up her body.

Booked by police for murder, Bean is under watch in Reno jail's psychiatric cell. He underwent a 3½-hour examination by a psychiatrist Sunday.

Police Chief Elmer A. Briscoe said Bean would be formally charged by the district attorney's office, probably today.

#### CAMERA IS DUE

Raggio said Bean admitted the dismemberment slaying after he was brought to the police station for questioning Saturday afternoon. A pawned camera owned by Miss McCaskie, with Bean's name on the slip, led him into the police investigation.

He broke from officers during the questioning and fled out of

### SECOND POLIO CLINICS SET FOR APRIL 21

Sunday will be "polio vaccine Sunday" again in Adams County. Dr. Harrison F. Harbach, chairman of the Adams County Medical Society's mass immunization committee, said it is anticipated that even more than the 30,700 who received the Sabin oral vaccine March 10 will be present for the second distribution of vaccine.

Polio comes in three types and thus three doses of the vaccine are necessary to completely wipe out the possibility of polio. Type I was given at the March 10 program. Type III will be given Sunday. Type II will be given at a "polio day" six weeks from now.

#### TO USE SAME CENTERS

Those who received the vaccine six weeks ago may go to the same places where they received the vaccine before in order to obtain the second in the series of inoculations. Again the vaccine will be given on lumps of sugar.

As was the case six weeks ago, the Gettysburg center in the new Gettysburg Area Senior High School will be open from 9 a.m. to 5 p.m. Sunday. The clinics at Biglerville High School, Fairfield Joint School, Rolling Acres School in Littlestown and New Oxford High School will be held from 12 noon until 5 p.m.

Dr. Harbach said it is anticipated there will be more to take the vaccine in Adams County this Sunday than at the prior immunization because at that time many eastern Adams Countians went to the Hanover clinic held a week earlier. This time both the Adams County and York County clinics will be on the same day.

#### DR. STONER HERE

Dr. David C. Stoner will be in charge of the Gettysburg clinic at the Gettysburg Senior High School and will have Sterling Musselman as his clinic coordinator. Members of the Gettysburg Lions Club and the Junior Chamber of Commerce will provide personnel for the clinic.

In New Oxford, which had the distinction last time of giving the largest number of immunizations in the outlying districts, Dr. Louis Grasmick and his clinic coordinator, Donld Kemp, are planning for an even larger clinic in the lobby of the New Oxford High School.

In the Upper Adams area, which

### TO SHOW FILM ON BIG GAME

The Adams County Fish and Game Association has announced plans to show big game hunting films Wednesday, May 1, at 7:30 p.m. in the Cashtown Community Fire Hall.

"Babe" Keller, York, a big-game hunter who has taken many species of North American game, will narrate the films on hunting expeditions to British Columbia and Alaska.

Because of the limited seating capacity of the fire hall it was decided that only 300 tickets will be sold by club members. They may also be purchased at Lowery's Barber Shop and Gettysburg News and Sporting Goods. Tickets will not be sold at the door. All proceeds from the films will go to the club's fish and game stock fund. As in the past the club will continue to stock both fish and game.

A report on the April meeting of the Adams County Sportsmen Federation was given by Kenneth Biesecker. He gave details of the organization of the committees within the Federation.

The game committee reported that the pheasant project is well under way. A work day was set up and all members were asked to cooperate. The pheasant chicks are expected to arrive in late May.

The fish committee reported plans for purchasing trout to be released in Adams County streams have been completed. Announcement will be made when the fish have been stocked.

A film provided by the Game Commission was shown on the life cycle of the bob-white quail.

The next monthly meeting will be held at the club house May 10 at 8 o'clock.

#### THREE FIRE ALARMS

Midway firemen were called 6:30 o'clock this morning when a car caught fire, and Bendersville firemen were summoned five minutes later when a brush fire broke out at the Earl Warner property in the Mt. Tabor area.

Sunday afternoon at 1:48 o'clock York Springs firemen were called when a car caught fire south of York Springs on Rt. 94, but the services of the firemen were not needed.

#### CONTINUES AS PRESIDENT

M. E. Krouse, Peach Glen, has resigned as general manager of Krouse Foods Cooperative, not as president, as The Times erroneously reported Friday. Krouse will remain as president of the board of directors, treasurer and chief executive officer. He will be succeeded as general manager by Dean L. Carey, assistant general manager since 1960. The change became effective today.

#### CLEAN-UP WEEK

Mayor Roy R. Starner and members of the Bendersville borough council have proclaimed this week as Clean-up Week in Bendersville. Residents of the borough are requested to clean the stones and other debris from the gutters, pavements, etc., which adjoin their properties.

### EASTER DAWN SERVICE HELD HERE SUNDAY

The Rev. John Vannorsdall, Gettysburg College chaplain, was the speaker at the first community Easter dawn service Sunday morning at 6:30 o'clock on Oak Ridge. The service was arranged by a committee of the Gettysburg Ministerium.

The Rev. C. Reynolds Simmons, Jr., pastor of the Church of the Brethren, opened the service. The Rev. Dr. Paul L. Reaser, St. James Lutheran Church pastor, read scripture and let the responsive reading. Prayers were read by the Rev. Lena M. Parr, St. Paul's AME Zion pastor. The congregation sang Easter hymns. Mrs. Reaser was the organist.

Applying his Easter message to the community of Gettysburg, the Rev. Mr. Vannorsdall said, "A play re-enacted annually in our town, a reflection upon our good and bad, a statement about the meaning of human life and about what a town is for."

#### CITES HANDWASHING

He said, "There is a lot of hand-washing in the play. Both husband and wife wash their hands of the responsibility for the difficulties in their marriage. Hand-washing over the school problem, the problems of the town, the nation. A lot of hand-washing in this play, and plenty of people to play the part of Pilate."

"We always have trouble finding people to play the part of the Roman soldiers but the play always comes out the same; with the Lord's death. We are Friday's children."

"Today we come forth to celebrate. To watch the dawn of Easter. The Lord Jesus Christ Who succumbed on the sidewalks or our town. Who died under the impact of our divided loyalties, the bickering of our family life, the callousness we have for one another. Who died under the blows of our denials and our equivocation. God has raised this Christ from the dead and set him again as Lord of our town. He comes offering forgiveness, offering of life, giving us back our life, and our town, and the chance to make of life and town something that is other than ordinary."

#### DRIVER IS FINED

Lloyd Jackson, Biglerville R. 2, paid a \$25 fine and costs today after borough police charged him with driving without an operator's license. Justice of the Peace Robert P. Snyder reported that this was his second offense. Jackson was arraigned early Sunday morning.

Norman Washington, Gettysburg, has been charged by Joe Brown with assault and battery and will appear Thursday for a hearing before Justice of the Peace Robert P. Snyder as the result of a fight at the rear of the Hotel Gettysburg Saturday night.

### Sub Made Frantic Effort To Surface Before Sinking

By JAMES CALOGERO

PORTSMOUTH, N.H. (AP)—The sound of air in ballast tanks as the submarine Thresher made a frantic attempt to surface after encountering some undefined trouble, drowned out a second garbled message, a Navy court of inquiry was told today.

Lt. Cmdr. Stanley W. Hecker, 36, Brooklyn, N.Y., testified that at 9:12 a.m., last Wednesday, Thresher messaged:

"Experiencing minor problem. Have positive angle. Attempting to blow."

He testified he then heard the sound of air rushing into Thresher's ballast tanks, and with that noise, the sound of a voice with another message.

But it was completely garbled, he said.

He said the voice he heard seconds earlier sounded "very relaxed, as if discussing a normal circumstance."

In answer to questions by the court, Hecker, skipper of the submarine rescue ship Skylark, said he did not recall that the final message used the words "up angle" as other members of the Skylark crew testified last week.

He said it was at that point he had his hydrophone man ask Thresher "Are you in control?"

When there was no reply, he took over the microphone and repeated the question three times without a reply.

Hecker testified that his concern

### Gilbert C. Crabill, 78, And 2 Teen-age Girls Fatally Hurt; May Hold 2 Inquests

Two teen-age girls and a 78-year-old man were fatally hurt in traffic accidents Saturday afternoon and early Easter Sunday morning in Adams County.

One person has been charged with manslaughter and inquests are likely to be held in two of the tragedies, according to Dr. C. G. Crist, the Adams County coroner, who investigated all of the traffic deaths. A fourth auto death occurred early Friday evening near Fairfield.

Gilbert C. Crabill, 78, R. 6, well known Straban Twp. farmer, was fatally injured by a Cleveland, O., motorist as Crabill crossed the Harrisburg Rd. near his home to get the mail.

Miss Alice Johnson, 18, 227 W. High St., was dead early Sunday morning when a wrecking car lifted a crushed station wagon off her broken body six miles west of here along the Lincoln Highway.

Miss Kay E. Wallick, 19, York, was injured fatally when the car in which she and five other young people were riding left the Hanover Rd. three miles south of York Springs early Sunday morning and struck large rocks and a utility pole. Police said the driver may have dozed.

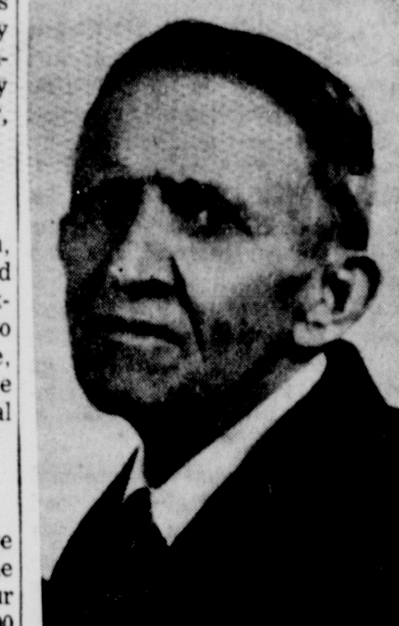

Gilbert C. Crabill, 78, Gettysburg R. 6, died Saturday evening at 6:05 o'clock at the Warner Hospital from injuries received five hours earlier when he was struck by an auto two miles north of here along the Harrisburg Rd.

The Adams County coroner, Dr. C. G. Crist, said death was caused by shock, concussion of the brain and a fractured pelvis, following an autopsy performed for the coroner by Dr. C. Harold Johnson.

State police said the fatal accident occurred when John O. Gilmore, Cleveland, O., was driving north on the Harrisburg Rd., and struck Crabill as the elderly farmer was walking across the road to the mail box. Police said their investigation showed the local man walked into the path of the car, apparently not seeing the approaching vehicle. Gilmore halted and rendered such aid as he could after the accident, according to the coroner.

# JFK SKEPTICAL OVER LUKENS' HIKE IN STEEL

NEW YORK (AP) — President Kennedy was reported today to be skeptical on whether the price increases announced by the Lukens Steel Co. meet the "public interest" criteria he suggested for the industry.

Kennedy, anxious to head off any steel industry rush to boost prices, held a series of telephone conferences Sunday after Lukens became the second company to announce price increases on part of its products.

The Wall Street Journal said today: "The nation's big steel producers, convinced President Kennedy will tolerate selective price increases, are expected soon to seek their first substantial price relief since mid-1958. Indications over the holiday weekend were that their move could start this week."

**WHEELING FINANCE**

The Wheeling Steel Corp. announced increases in prices on a number of its products last Tuesday. On Thursday, Kennedy issued a statement of the Wheeling action.

Following Sunday's phone conferences by Kennedy from the holiday White House at Palm Beach, Fla., presidential press secretary Pierre Salinger issued a statement on the Lukens move in response to inquiries from newsmen.

The statement said: "The President's statement of last Thursday speaks for itself. The President said that it was important for the industry and the country that over-all price stability should be maintained."

"While the statement did not preclude selective price actions up or down, the President did point out strongly the national interest in over-all price stability."

Lukens said a big drop in profits was the cause of its price hikes.

**COUNTY RANKS WELL**

At Fairfield, the vaccine may be obtained at the gym of the Fairfield Joint School where Dr. James Hammett will direct the clinic and Harry Blair will be the clinic coordinator.

In the Littlestown area, the clinic will again be held at the Rolling Acres School and will be under the director of Dr. Harold R. Hand as medical director. He will be assisted by the Littlestown Junior Chamber of Commerce with Richard Selby as director. This is another area which expects an increase in the number who want the vaccine.

Dr. Harbach said the system to be followed in this clinic will be even more efficient than in the first, so that there should be less delay. "If a person simply shows his card that was given at the first clinic, he will be immediately sent through as this means that the permission permit was previously given. If no card is available, the person will go through the brief process of the previous clinic," Dr. Harbach said.

Dr. Harbach said final reports of other counties show Adams stands high on the percentage of population who have received the vaccine and is ahead of York County, Cumberland and Franklin Counties have not been offered the program.

## DIEFENBAKER, PEARSON WILL CONFER TODAY

OTTAWA (AP) — Prime Minister John G. Diefenbaker meets with Lester B. Pearson today to arrange the transfer of power to a new Liberal government for Canada.

The Conservative leader gave up Saturday and wired congratulations to Pearson after results of the vote from Canadian servicemen and their wives and veterans in government hospitals was announced.

The delayed vote handed the Liberals two more parliamentary seats to add to the 128 they had won in the election last Monday. This left the Liberals three short of a majority in the 265-seat House of Commons.

### GAIN MAJORITY

Confusion in the ranks of the Social Credit party threatened Pearson's chances of eking out a declared majority through support

of the minority group. Social Credit leaders indicated he could count on their support on most issues.

Six Social Credit members announced Friday they would support the Liberals, giving them a majority of seven. Later Dr. Guy Marcoux, Social Credit floor leader in the last Parliament, said three of the six had been misled and wished to have their names removed from the list.

But one of the three, Robert Beaulieu of Quebec, said he and most Social Credit leaders from Quebec, who make up the bulk of the party's Commons membership favor supporting the Liberals.

## WOMAN BEATER GETS HEARING, MENTAL PROBE

NORRISTOWN, Pa. (AP) — Fred Stamets, of Graterford, a 23-year-old unemployed laborer, faces a hearing and psychiatric examination today after being charged with assault with intent to kill in the claw-hammer beatings of two women.

Authorities said Stamets confessed the attacks last November and January and had told his wife about one of them to unburden his conscience.

He also was charged Saturday night with assault with a deadly weapon, aggravated assault and battery, rape, assault with intent to commit rape and indecent assault. Stamets was arrested Friday night, police said, when he tried to pick up two women in Norristown.

Dist. Atty. Richard S. Lowe of Montgomery County said Stamets abducted Mildred Fox, 38, of Jeffersonville, last Jan. 4, beat her with a hammer, slashed her throat and dumped her unconscious on a snow-covered rural road near Schwenksville.

"Stamets for some reason told his wife about this the next day but she apparently was too frightened to say anything about it to anyone else," said Lowe.

Stamets also confessed to picking up Mrs. Anne McElvee, 47, an epileptic patient at Norristown State Hospital for 31 years, last Thanksgiving Day and beating her, Lowe said. Mrs. McElvee, who weighs 80 pounds, also survived after several weeks hospitalization. She was found a half mile from where Miss Fox was discovered. Authorities said she had been raped and run down with an auto.

## State Probes Death Of Elderly Patient

PHILADELPHIA (AP) — The state Justice Department is expected to complete its investigation into the death of a patient at the Philadelphia State Hospital in Byberry within a short time.

Secretary of Welfare Arlin Adams, who turned the matter over to the Justice Department, said that when he gets a report back "in the next week or so I will discuss it with the governor."

Adams disclosed over the weekend that the family of 68-year-old Harold Matthews sent in a deposition saying there was evidence he may have received inadequate care.

"I thought there was enough (in the deposition) to warrant an investigation," Adams said from his Philadelphia home Sunday.

It was charged in the deposition that Matthews suffered a broken jaw shortly before he died Feb. 13. Dr. Eugene L. Sielke, Byberry superintendent, said Matthews died of natural causes.

The family said Matthews had been senile for the last seven or eight years. He was admitted to Byberry last June 12.

## THUGS STEAL EASTER GIFTS

ROCHELLE PARK, N.J. (AP) — The Easter collection of the Sacred Heart Roman Catholic church here was stolen by two men who held up two priests in the church's rectory, police said today.

Two men, wearing white masks and armed with pistols, entered the rectory about 11:20 Sunday night as the Rev. Roland Burke, pastor, and the Rev. Jerome Gallagher, assistant pastor, were watching television.

One gunman forced the pastor to a basement safe and made him open it. After taking the money, the thieves bound both priests hand and foot to chairs and made a getaway through a rear door.

The priests worked loose from their bonds after about an hour and called police.

The amount taken was not disclosed.

## COMPROMISE ON TAX CUTS SEEN LIKELY

By JACK BELL

WASHINGTON (AP) — The possibility of a White House compromise on tax-cutting proposals spurred administration hopes today for congressional approval of some other major segments of President Kennedy's legislative program.

There was general belief among available Congress members that when Kennedy sits down April 25 with a group of business men led by Henry Ford II, he will be willing to make some concessions aimed at enlisting their support for a revised tax reduction plan.

Kennedy has given top priority to tax reduction. But his proposals for linking graduated cuts

over three years with revisions of the revenue laws has encountered stiff opposition which has spread to other segments of his program.

### BUDGET-CUTTING DRIVE

Republicans have cranked up a budget-reduction drive pointed at the \$4.5-billion increase in spending over current levels Kennedy has estimated for the year beginning July 1.

The Republican drive is aimed primarily at new administration programs, such as the mass transit and youth employment legislation already passed by the Senate.

The group headed by Ford has proposed in a preliminary statement of principles a substantial reduction in individual income tax rates, plus a cutback in the maximum corporation levy from 52 to 47 per cent. It has indicated it believes revenue law changes can wait until later.

### TRADING HEAVY

NEW YORK (AP) — Steels and oils were pacemakers in a continued stock market rally early this afternoon. Trading was heavy.

Gains of key stocks went from fractions to a point or more but some of the best advances were clipped as profits were taken.

The leading steels advanced in a body after weekend news that Lukens Steel had followed the lead of Wheeling in raising prices.

his proposed \$10-billion net tax reduction telescoped into a single year.

The Ford group is reported proposing sharp reductions in expenditures, with the goal of eliminating budget deficits.

If these programs are reduced in size—as the youth employment bill was cut from \$500 million to \$375 million in the Senate—their chances of final approval by Congress would be enhanced.

Meeting Of Loyal Citizens:

There is to be a meeting of the Loyal Citizens of Adams County on Monday evening next, at the Court house, to consult together on the great interests of the County, and institute such measures as may be deemed wise and proper to give effective aid to the Government in the present great struggle against Rebels abroad and at home. It is a cause worthy of every effort — and an appeal which no loyal man can refuse to answer.

Rev. W. V. Gotthwald, of the Seminary, has accepted a call from the Lutheran Congregation at Emmitsburg to fill the vacancy occasioned by the removal of Rev. H. Bishop to Baltimore.

**Making Room:** It was Henry Clay, we think who, after he had finished his studies, went to a certain town with letters of recommendation to an influential member of the bar and sought his advice and influence in establishing himself in his profession. The encouragement he received was something like this: "I would be very glad to render you any assistance in my power, Mr. Clay, but really there is no room in this place for another lawyer." Mr. Clay, nothing daunted, straightened himself and with the reply "Then, sir, I intend to make room" left the house. The sequel need not be told.

**The Schoolmaster Abroad:** A box was left on Thursday at the office of a prominent express company with the following address written on a half sheet of paper, pasted on the lid: "John McPherson, skuire, Kumpinny C, cekund regiment rode inland privateers, Washington D. Cee. Kamp klose to the Wrappanock. Veye aye nu York on ak Wy Creek." A clerk in the office has kindly translated the above thus: "John McPherson, Esq., Company C, Second Regiment, Rhode Island Volunteers (Privateers) Washington, D. C."

It is rumored that Gen. McClellan has sent in his resignation to the War Department. It is well, if so, as it is not likely that he would be called into service shortly — the Government having no decided confidence in him now as a leader of our Armies.

## SEVENTY-FIVE YEARS AGO

**Littlestown Items:** On Easter Monday afternoon the Littlestown Cornet Band did up the town with choice music. They were clad in their handsome new uniforms for the first time and attracted considerable attention and seemed as happy as a youthful swain after a visit to his best girl. We now have a band whose talent and efficiency in the practical rendition of music will carry them through on deserved merit. Next Sunday a farewell service to the old church will be held at Salem U. B. Church, near Granite Station. Preaching Saturday night, communion services Sunday morning and farewell services Sunday night. The following week the ancient stone church will be torn down to give place to a commodious brick structure with modern architecture.

**A Convention of county, city and borough School Superintendents** was organized at Harrisburg last week with nearly 100 Superintendents in attendance. Dr. Higbee was elected President. Governor Beaver made an address before the Convention.

**York Springs Items:** Mr. Ed Neely, on coming to town on last Tuesday with a basket of eggs, had the misfortune to break four dozen in going over the street crossing in front of Timmins' store. Several of our street crossings are in very bad condition, either too high or too low. The street commissioners should see

## Today's Talk

IT'S ALL IN YOUR VIEWPOINT  
I have heard it said that everyone has a price at which he will sell out. I do not believe it.

Some of us come to learn that we received something very unusual and valuable when we were given life. And the chance to take hold upon it, delve into it, get from it many of its thrills, as well as to take its "upper cuts" — that's a job many of us would not sell out if the whole world were to be wrapped up in nice pink silk and handed to us as a gift!

It's all in your viewpoint — whether you are bored by existence. Of course there are very many who were immediately dropped into the lap of misfortune — and to them we who are more fortunate should lend a ready hand.

But you who are looking for quick and easy fortune without the price to pay for it, there exists nothing but disappointment and gloom.

You can't get happiness in the same way that you order a meal in a public eating place. You have to take out happiness on a long time lease — and then if the plumbing is bad in spots, or the roof leaks, just remember that that was one of the hidden expectations and go ahead and have things repaired.

Another thing — try and keep away from a game, the rules of which are not known to you and for which you have had no previous preparation or experience.

Then as life unfolds for you, you will see the beauties in it and great chances will keep looming as something for you to take part in.

Sour and sordid viewpoints come in the same way as a sour stomach — from eating the wrong food or from not properly chewing the right food.

They say that we should live and learn. I like it better turned around — let us learn and live's

THE ZEST

If every game you played you

won

In victory there'd be no fun;

If every plan you made suc-

ceeded

Conquest would be a joy, un-

heeded.

If every dream of yours came

true

You'd seek a task you couldn't

do

And long ('tis gospel that I

preach)

For goals a step beyond your

reach.

'Tis fear of loss enriches gain.

The joy of ease is born of pain.

Too frequent dining spoils the

feast

What's plentiful we value least.

A smile is sweet because we

know

That soon or late the tears must

flow.

By day or night all men refuse

To guard the stuff they cannot

lose.

Then hold your faith and brave

the blows

Which fate on one and all be-

stows.

Were life one constant round of

song

There'd be no pride in being

strong.

Could all men lightly master care

We'd long for heavier loads to

bear.

For after all, 'tis storm and

strife

And loss that give a zest to life.

MANCINI HARD  
AT WORK AFTER  
THIRD "OSCAR"By BOB THOMAS  
AP Movie-Television Writer

HOLLYWOOD (AP) — On the day after winning his third Oscar in two years, Henry Mancini was back in his office hard at work.

That wasn't unusual. In the past decade Mancini has poured forth an amazing volume of music, including scores for 125 movies and four seasons of television series, and much of it has been good.

Mancini's victory this year was for the song "Days of Wine and Roses," for which Johnny Mercer wrote the lyrics. Last year he won for another Mercer collaboration, "Moon River," as well as for his score of "Breakfast at Tiffany's."

"PETER GUNN" POPULAR

More important, perhaps, he has won the patronage of record buyers to an extent that no other Hollywood score composer can match. His album "Music from Peter Gunn" sold more than a million copies. "Breakfast at Tiffany's" topped 800,000 and "Mr. Lucky" a half-million.

"Hawaii" reached the quarter-million mark, and the single of "Baby Elephant Walk" from that film was a big seller.

What has Mancini got?

It seems to this fan of his art that his scores brought a much-needed freshness to movie and television background music. It perhaps took a newcomer to get away from the soaring strings and trumpet blasts that have long punctuated dramatic pictures.

## CONTEMPORARY FEELING

Mancini himself remarks: "I try to capture a contemporary feeling in music, using sounds that we all hear around us. There's no reason why movies about modern subjects should be accompanied by 19th century music."

"After all, they didn't wear high-buttoned shoes in 'Breakfast at Tiffany's.'"

Mancini is not reluctant to use modern rhythms, especially jazz, and he is beardless on offbeat instruments. He has often employed the electric organ to good advantage, especially in "Mr. Lucky." Other favorites of his are the electric clarinet—used in "Baby Elephant Walk"—the E-flat clarinet and almost any member of the flute family.

## REARED IN ALIQUIPPA

Hank was born in Cleveland 39 years ago Tuesday. He grew up in the steel town of Aliquippa, Penn., where his father taught him the flute at 8. He was picked out of the Juilliard School of Music by Uncle Sam, and after the war played piano and arranged for the Tex Beneke band. He married th singer, Ginny O'Connor.

"After I left the band, I wasn't doing much but arranging for the group my wife was singing with, the Mellowlarks," Hank said. "They appeared in some musical shorts at Universal, and I got to know the boys in the music department."

"The head of the department, Joe Gershenson, gave me a job scoring an Abbott and Costello picture, 'Lost in Alaska.' I was hired for two weeks and stayed six years, writing for every kind of picture. The experience was invaluable. To reverse the George Burns remark (that today's newcomers have no training ground in which to be bad), I had a place to be bad."

Mancini learned, and left Universal to begin an association with director Blake Edwards with "Gunn," "Lucky" and feature films. Now he sifts the offers, leaving time for occasional concerts and for his family, which includes twin daughters, 10 and a son, 12.

Tuna Fish Seare  
Ends In Philadelphia

PITTSBURGH (AP)—The contaminated tuna fish scare in Pittsburgh is past.

What remained from 336 cans of the possibly poisonous tuna was collected in Pittsburgh's Squirrel Hill section Sunday by officials of the Federal Food and Drug Administration.

The cans were traced to 30 families Saturday. Kendall Covert, FDA resident inspector, said possibly as many as 10 families ate some of the tuna but suffered no harm.

The families had purchased the tuna from Joseph Frishman, a door-to-door salesman, for the Jewish holiday of Passover. The cans were shipped into Pittsburgh by a Brooklyn kosher foods supply house.

28-Foot Snake In  
Zoo Dies Of Old Age

PITTSBURGH (AP)—Advanced age and pneumonia have taken the life of a snake believed to be one of the longest in captivity. Colossus, 28½ feet long and weighing 300 pounds, died Sunday at the Highland Park Zoo. A Reticulated Python, he was thought to be about 30 years old. Colossus was placed on display at the zoo in 1949 when he was 22 feet long. He was brought here from Malaya via Singapore.

RESUME TAX  
TRIAL TODAY

LEWISBURG, Pa. (AP) — The income tax evasion trial of two Luzerne County mining companies and four individuals resumes today in U.S. District Court here following a five-day recess for Holy Week and Easter.

Meanwhile opposing attorneys gathered in the chambers of presiding Judge William J. Nealon for an all morning conference to discuss legal matters in the case.

On trial are the Avon and Peely Mining Companies of Wyoming, Pa.; August J. Lippi, president of United Mine Workers Union, District One; Robert L. Dougherty Sr., former president of the two firms; and Leonard Statkevich and Frank Cardoni, one-time union aides to Lippi.

The government contends Avon and Peely used padded payrolls in a scheme to evade \$106,189 in corporate income taxes between July 1956 and November 1958.

The four individual defendants are charged with conspiracy. So far, government attorneys have spent most of the three week-old trial hammering at the salary payrolls of the two companies and the names that appear on them.

TRAFFIC TOLL

NINE IN STATE

Sunny weather and warm temperatures drew thousands of motorists to the highways, but they also proved to be fateful lures for some, as nine persons died in traffic mishaps during the weekend.

Non traffic accidents claimed two lives.

Despite the pleasant weather, ideal for motoring, the traffic count was down from that of the past two weeks. The previous weekend 12 persons died on highways and the week before 21 were killed.

## Night Track Opens With Huge Turnout

CHARLES TOWN, W. Va. — Shenandoah Downs begins the first full week of its 31-night spring meeting this evening, with 10 three-year-old sprinters set to face Starter Clarence Mackey in the six-furlong Jonquil Purse.

Post time is 7:15 p.m. throughout the session which will close May 18.

Viola P. Follin's Roper's Mill, who went on to win three races in 1962 after being an early season disappointment, heads the field of \$3,000 claimers assembled for the Monday feature. The veteran Ray Arduini will ride Roper's Mill, who is trained by Owen L. Follin, husband of the owner and leading conditioner at Shenandoah last year.

Shenandoah opened what may be its best spring meeting to date Saturday night, with a crowd of 9,907 betting \$455,092. Both figures were up over the first Saturday of 1962 when 9,221 bet \$395,071.

## SANDERS WINS \$5,000 PRIZE AT GREENSBORO

By KEN ALTYA  
GREENSBORO, N.C. (AP)—A dozen years ago a slim-waisted, skinny 18-year-old from Cedarburg, Ga., arrived unheralded at Durham, N.C., for the Junior Chamber of Commerce National Junior Golf Tournament.

His name was Lou Sanders and his short backswing attracted the attention of purists who marveled at the results he got with what has since become known as the "telephone booth swing. He went on to win the tournament, his first triumph of consequence.

Today, Doug Sanders, now 29, and still slender at 160 pounds, is \$5,000 richer for having returned to North Carolina to win the \$37,500 Greater Greensboro Open tournament.

He closed with a two-under-par 69 round Sunday a 270 total, 14 under par, to lead the field by four shots.

Sanders put together rounds of 63-65-68-69—over the 7,000-yard, par 71 Sedgefield Country Club course to miss by one shot tying the tournament record set by Sam Snead, seven-time winner here since 1938.

Second was 41-year-old Jimmy Clark of Huntington Beach, Calif., who closed with his third 68 for a 274 total to win \$3,500.

## BIG NAMES THERE

Australian Kel Nagle, who made four four shots in four holes on the back nine playing with Sanders Sunday, finished third at 275, closing with 69 to win \$2,400.

Sharing fourth place at 277, were Bob Charles, the New Zealand southpaw; Art Wall and Harold Kneec, each winning \$1,766.

Snead, Gary Player and Jack McGowan tied for seventh at 278 to win \$1,400 each. This brought Snead's winnings to 23 of 24 tournaments here in \$27,200 since 1938.

## BUFFALO GOES INTO FINALS WITH 2 WINS

By THE ASSOCIATED PRESS

The Buffalo Bisons swept into the final round of the American Hockey League playoffs for the Calder Cup by beating the Providence Reds twice over the weekend.

The Bisons, Western Division champions, ended the best-of-7 series by whipping the Eastern Division champs 3-1 on Providence ice Sunday night. On Saturday the Bisons had taken a 3-2 lead in the series with an 8-1 romp over the Reds.

The Bisons now will meet the winner of the best-of-5 Cleveland vs. Hershey series in the final playoff. Cleveland shutout the Bears 4-0 Sunday night and, coupled with its 5-1 Saturday victory, now lead in the series 2-1. The fourth and possibly deciding game is scheduled Wednesday at Cleveland.

## WINS IN 3RD

A Providence turnout of 5,703 saw Buffalo win Sunday on two third period goals by Art Stratton and Barry Cullen that broke a 1-1 tie. Stratton's goal game on a short shot after a feint with about 6 minutes to play.

Cullen's wrapup marker came with only 30 seconds left. He fired 50 feet into an open net after the Reds had gambled and pulled their goalie in order to press a 6-man attack.

Cleveland's mastery over Hershey stood up again on the Barons' home ice as goalie Les Binkley scored his first shutout in a playoff game. Hershey now has lost seven straight on Cleveland ice over the last 14 months.

Bill Masterton led the Cleveland attack by scoring the first two goals, all that the Barons needed. He connected on a long shot at 2:22 of the opening period and made it 2-0 shortly after the second period started.

John Ferguson and Fred Glover added the other two goals to put the icing on the cake for the Barons.

## OPEN WOMEN'S GOLF TOURNEY

PINEHURST, N.C. (AP)—Seven matches made up today's first round in the 61st annual Women's North and South Amateur Golf Tournament. Nine players in the select field of 23 drew initial round byes.

Eight second round matches Tuesday will be followed by single rounds of 18-hole matches through Friday in the process of determining a successor to the 1961 champion, Clifford Ann Creed, now a professional.

The list of players receiving byes included such title threats as Mrs. Helen Sigel Wilson of Gladwyne, Pa., last year's runner-up, and the beaten 1961 semi-finalists, Marge Burns of Greensboro, N.C., and Mrs. John Dyson of Sugarloaf, Pa.

Others idle today include Jean Ashley, Chanute, Kan.; Doris Phillips, Belleville, Ill.; Mrs. Alex Welsh, Rockford, Ill.; Mrs. Philip Cudone, West Caldwell, N.J., the only former champion in the field, and two winter tournament winners in Florida this year, Phyllis (Tish) Preuss of Pompano Beach, Fla., and Nancy Roth of Hollywood, Fla.

## CELTICS WIN FIRST PLAYOFF

BOSTON (AP)—The Boston Celtics agreed today they have a jump in their grudge playoff series with Los Angeles because of luck and Tommy Heinsohn.

"After a lot of years we finally got a break," said Boston captain Bob Cousy after the Celtics eked out a 117-114 triumph Sunday night in the opener of the National Basketball Association championship playoff series. "We played mediocre ball and still won."

Auerbach credited free throws by Bill Russell for keeping Boston apace in the final period, then putting the Celtics ahead 111-110. Heinsohn, held to nine points for the first 40 minutes, blocked an attempted close-range jumper by Red-hot Jerry West, recovered the ball, flipped to Sam Jones and took a return fast-break pass for a layup. There was 1 minute, 10 seconds left.

On the second of two Los Angeles missed buckets, Sam Jones pulled down the ball and fired a full length pass which Heinsohn converted for the decisive basket, putting Boston in front 115-110 with 37 seconds to go.

As usual, the Lakers' incomparable Elgin Baylor led all scorers with 33 points while West and Dick Barnett added 25 each in the losing cause.

BUFFALO, N.Y. (AP)—The Don Carter Gloves of St. Louis, considered bowling's finest team, open defense of its classic division title at the American Bowling Congress Tournament tonight.

## GIVE SCRANTON BOXING REPORT

HARRISBURG (AP)—A report by the state athletic commission on a fight which ended in death for a 19-year-old amateur boxer a weekend ago in Carbondale reached Gov. Scranton today.

Scranton planned to meet with the three-member Athletic Commission later to discuss the results of the inquiry into the death of Francesco Valesquez of Puerto Rico.

The report is expected to play an influential part in Scranton's decision over the immediate fate of boxing in Pennsylvania.

Velasquez, who was in the Army, was knocked out in the second round of a benefit boxing show April 6. He died shortly thereafter.

Athletic Commission Chairman James H. Crowley, one of the famed Notre Dame "Four Horsemen," headed the investigation into the ill-fated fight, but he declined to comment on the final report until it had reached the governor.

## DOUBTS LAOS FORCES WILL CEASE FIRE

VIENTIANE, Laos (AP)—Laotian Premier Prince Souvanna Phouma appeared doubtful today that cease-fire pledges would be observed by neutralist and pro-Communist forces in the Plain des Jarres.

The neutralist premier flew to the trouble area Sunday and interviewed heads of the opposing forces. He said they pledged to stop fighting will he tries to patch up their differences.

"I will see if my instructions given to them not to fight will be respected," he added, however. The pro-Communist Pathet Lao under Gen. Sankapo has bottled up the neutralist army under Gen. Kong Le on the Plain after sporadic clashes in the past two weeks.

The Pathet Lao control most of northern Laos, and there is widespread suspicion that they are planning to make their hold complete by eliminating the neutralist forces.

Prince Souvanna Phouma talked with Kong Le, Sankapo and with Col. Deunane, leader of a dissident, ultra-leftist group of neutralists. Kong Le told newsmen that the obvious aim of the Pathet Lao was to bottle up his forces in the vulnerable hill-ringed Plain 115 miles north of Vientiane.

## YANKEES BEAT ORIOLES TO GO INTO AL LEAD; INDIANS WIN

By JOE REICHLER

Associated Press Sports Writer  
Attention slump-ridden batters: Shell-shocked pitchers:  
Here's what you do. Get a transfer to another major league club. It has done wonders for others.

For example, Jerry Walker, Ron Kline, Larry Osborne, Stan Williams and Orlando Pena of the American League.

Walker hurled shutout ball through 4-2-3 innings after coming to the relief of star Jim Grant Sunday and was credited with Cleveland's 6-0 victory over Detroit. Walker was 8-9 at Kansas City last year.

Kline's sparkling four-inning relief stint helped the Washington Senators defeat the Boston Red Sox 7-6. Osborne drove in two runs with a double and sacrifice and scored another Senator run. Kline was 3-6 and Osborne batted .230 at Detroit last year.

Williams turned back the Baltimore Orioles 5-1 with a five-hitter as he pitched the New York Yankees into first place. He had a mediocre 12-10 record with Los Angeles last year and wore the goat's horns after walking in the winning run in the Giants' final playoff victory over the Dodgers.

Pena pitched five dazzling relief innings in Kansas City's 5-4 triumph over Minnesota. The Cuban right-hander, a bust with Cincinnati, was rescued by the Athletics from the minors last summer.

## MINOR MIRACLE

A minor miracle occurred in Los Angeles, where the only other AL game was scheduled. Rain washed out the Chicago White Sox and the Angels.

## Injured Performer Will Try Comeback

MADISON, Wis. (AP)—A tiny, red-haired girl in a Madison hospital is planning her return to the swinging circus trapeze where she works without a net and a mistake is often fatal.

Mary Lou Lawrence made a mistake in her act on Feb. 15. She plunged 35 feet to a concrete floor and was seriously injured.

"It won't happen again," she said with determination. "As long as you do what you're supposed to, you stay up there."

Mary Lou, 26, is recovering from a skull fracture and a broken collar bone and rib.

# SAYS DRIVER CHECKUPS ARE "SUSPENDED"

HARRISBURG (AP)—Revenue Secretary Theodore B. Smith has denied weekend allegations by the Greater Philadelphia Chamber of Commerce that driver physical re-examinations have been removed from the state's traffic safety program.

The re-examination program has only been suspended temporarily, Smith said Saturday, adding that to say it had been scrapped is "sheer nonsense."

"Many parts of it should be retained," Smith continued, "but its administration has been poor."

The chamber, in letters to Gov. Scranton and Smith, charged the Scranton administration with aborting and abandoning the traffic safety program.

## BEING STUDIED

It proposed a seven-point program, including the immediate reinstatement of physical re-examinations.

Smith replied that he has Traffic Safety Commissioner Harry H. Brainerd studying "the whole program."

The secretary indicated he was not in favor of complete physical examinations because "there's no guarantee that the person won't drop 10 minutes after getting the doctor's ok."

He did favor checking eyesight and hearing. "Just how far beyond that we should go, I don't know," he added.

# U.S. TAX CHIEF BEAT DEADLINE ON HIS RETURN

WASHINGTON (AP)—Mortimer M. Caplin, the nation's chief tax collector, has safely beat the income tax deadline—but not by much.

At the dinner hour Saturday, Caplin deposited form 1040 in a letterbox near his Northwest Washington home. The deadline is midnight tonight.

Caplin doesn't want to be known as a Hairbreadth Harry although, like millions of other Americans, he concedes he did dilly-dally a bit.

The Internal Revenue Service commissioner told a reporter Sunday night he got the adding and subtracting done a week ago.

## IRS URGED EARLY FILING

When the Internal Revenue Service sent out its tax forms and instruction booklets this year they were accompanied by a letter from Caplin which advised "file early." It was suggested to the 46-year-old tax chief that perhaps he wasn't following his own advice.

Caplin laughed, then said the advice is primarily for the 40 million or so taxpayers who get refunds. The government wants to send them out early, he said. Caplin isn't getting one.

Like other Washington residents, Caplin recently received his new auto tags. Because "somebody had a cute idea," the number assigned to him is a constant reminder of his job: 1040.

FRANKFORT, Ky. (AP)—Gus Jaubert, a French member of Confederate Gen. John Hunt Morgan's cavalry, is credited with inventing burgoo — once a favorite food at Kentucky political rallies.

Jaubert, cook for Morgan's men, had to use blackbirds for food because provisions were scarce. He prepared a dish with the birds as the main ingredient.

Later, pork, beef and mutton were used in the dish other than blackbird.

A report by the state Athletic Commission on the death of a 19-year-old amateur fighter a week and a half ago in Carbondale reached Gov. Scranton today. The governor planned to discuss details of the report with the three-member commission later in the day.

# DAY IN VATICAN WINS PRAISES OF TV CRITIC

By CYNTHIA LOWRY  
AP Television-Radio Writer

NEW YORK (AP)—Television makes travel so easy and inexpensive.

Sunday night, for instance, ABC took us on a full hour tour of the Vatican, complete with glimpses of the Pope, a look at the Sistine Chapel and access to private chapels and chambers closed to ordinary visitors. We saw and heard Pope John XXIII as he

sat in his private study.

The idea was to show a day at the Vatican starting with opening the gates by the Swiss Guard. It was a reverent and earnest program although it was not done with much imagination.

## CALLED "OFF NIGHT"

The "Bob Hope Show" Sunday night devoted its major sketches to wary spoofs of television hospital shows and a pointless bit about congressional investigating committees. It was rather an off night for the comedians.

The latter half of the program was given over to handing out awards by a television magazine. It was not explained how five or six shows or performers were nominated originally, but readers voted, among others, "Beverly Hillsbillies" their favorite new

series; "Bonanza" favorite series; Richard Chamberlain, favorite male star, and Carol Burnett favorite female star.

## BUILDING TALENTS

NBC is building lots of attractive acting talent into next season's "Richard Boone Show," a series of hour-long dramas to be performed by a repertory company.

Among the permanent members of the company will be Lloyd Bochner, who was something of a hit in "Hong Kong" for two seasons; Bethel Leslie, one of television's busiest and most attractive guest stars; Harry Morgan, half of "Pete and Gladys" and a popular character in "December Bride," and Jeanette Nolan, wife of "Wagon Train's" John McIntyre, who has been a guest star

## Negroes Attack Whites At Game

WASHINGTON — Juvenile authorities were investigating attacks by roving teen-age bands on spectators after the Washington Senators' game at D. C. stadium Sunday.

At least 11 fans were injured and 10 of them required medical attention, Police Capt. John D. O'Connell said.

O'Connell said that while he could not call the beatings racial, they were white and all the attackers were Negroes.

Police said fights occurred in the stands after the Senators-Boston Red Sox game ended and outside the stadium. Some witnesses reported seeing other beatings which the victims did not report to police.

Take place at the meeting of Explorer Post No. 84 this evening at 7 o'clock at the Community Center. Inductees are requested to be in uniform. Parents are invited to attend. William Ritter will be in charge of the program.

Miss Sharon Flinchbaugh, New York City, spent the Easter weekend at the home of her parents, the Rev. and Mrs. Glenn Flinchbaugh, Maple Ave. She was accompanied to New York by her parents.

When driving on a long vacation, loaded with baggage or sporting equipment, inflate your tires two to four more pounds. Be sure to add the air when your tires are cool.

## TEEN-AGERS ADMIT THEFT OF \$63,100

SCARSDALE, N.Y. (AP)—Parents of three teen-age boys marched their sons into police headquarters of this wealthy New York City suburb Saturday and said the boys had stolen \$63,100. The theft had not been reported

to authorities although the victim discovered his loss three days earlier, police said.

The three teen-agers admitted stealing the money from the home of Mario Lalli in nearby New Rochelle. Lalli describes himself as a publisher. His son, William, 22, said the money was his and that he discovered its loss Thursday. William Lalli, a magazine distributor, told police the stolen money came from wedding presents he and his bride received a year ago and also from winnings at Yonkers Raceway, a harness track.

#### \$16,000 IN ROOM

The theft came to light Saturday after Mr. and Mrs. John J. O'Connor Scarsdale found nearly \$16,000 in the room of their son, John, 16, Asst. Dist. Atty. J. Radley Herold said.

Herold said young O'Connor reported that he and three 15-year-old friends, one from Scarsdale and the other two from New Rochelle, heard about a secret cache in the Lalli home, went there one midnight and took it.

Police recovered \$56,250. They said the boys apparently entered the house through an unlocked window.

Young O'Connor was held without bail on first-degree grand larceny charges. The two 15-year-olds were booked as juvenile delinquents and released in the custody of their parents.

## PAINTING BY A BABY WINS SHOW PRIZE

SOUTH GATE, Calif. (AP)—Theresa Bates, the Grandma Moses of the falling diaper set, is in the midst of an art controversy today—and couldn't care less.

Theresa, at 22 months of age, is too young to care.

She was a prize winner in an art show for adults.

Some of the mature artists in the show called her work "a happy accident" and then angrily yanked their paintings from the show.

One artist who didn't remove his paintings was Albert G. Bates, Theresa's father. Bates, also one of the show's winners.

The father said Theresa's prize work was done one night after she had watched him paint in the kitchen.

"I left for awhile and when I came back, she had made a long mural across the kitchen cabinets," said Bates. "So I taped paper up on the refrigerator and just let her go to it. She did three pictures and I picked the best for the show."

Judge Robert A. Chuey, an art teacher, said: "Many times children's art can be better than adult art. It seems to me that much adult art and many artists become tired and lacking in fresh viewpoints, whereas a child is untarnished, not yet corrupted."

Pat S. Brown, president of the sponsoring South Gate Art Association, declined comment but

## WEATHER WAS PERFECT FOR TROUT OPENER

By THE ASSOCIATED PRESS

Near perfect conditions prevailed over the state Saturday and Sunday as trout season opened in Pennsylvania. The fishermen responded in near record numbers and the fish apparently were biting as excellent catches were reported across the state.

The state Fish Commission called the opening-day turnout "One of the largest crowds of trout fishermen ... in Pennsylvania."

Fish wardens from across the state reported heavy pressure at most spots and said many limit catches (6) were achieved shortly after the season opened at 5 a.m. Saturday.

### ENDS IN SEPTEMBER

The trout season will run through Sept. 2.

Unusually large numbers of women and children were reported on the streams and creeks. Some 600,000 adults are licensed to fish in Pennsylvania this year. Children do not need licenses.

The fish commission stocked Pennsylvania waters with some 1.7 million fish this year.

The fishermen's attitude probably was best summed up by the experience of one devoted angler—Albert M. Day, executive director of the Fish Commission.

Despite the fact he failed to catch his limit—he declined to say exactly how many he did catch—Day offered this synopsis of the first-day festivities:

"About 600,000 people took out licenses, and from what I saw, they must have all been out. It was a very good day."

## NEW ARTICLE ON OLD TRAIN

"The Great Train Chase" of the Civil War, which involved the capture of the "General" by the Andrews Raiders, Union spies who attempted to destroy southern rail lines between Atlanta and Chattanooga, received an eight-column headline and story in a recent issue of the Toledo, Ohio, Blade. The Gettysburg Times carried a "General" story on April 5, and has a lithograph of the famous engine on display in the news room.

The "General" will be in Gettysburg from June 28 through July 4 as part of a Centennial tour through eight states.

Gettysburg now residing in Toledo, advised the Blade story to The Times. Inasmuch as the Raiders were volunteers from the 21st Ohio Volunteer Infantry, The Blade researched the lives and activities of several of the men for their story. It featured the activities of Mark Wood, whose grave in Forest Cemetery is marked by only his last name in the weather-worn stone. He was one of this country's first Medal of Honor winners.

Eight of the Raiders were hanged after their unfortunate

## PA. BUSINESS LEVELING OFF, REPORTS SAY

UNIVERSITY PARK, Pa. (AP)—

Major business activity — with the exception of the steel industry — appears to have leveled off in the state, a business analyst from Pennsylvania State University reports.

Ned Shilling, with the university's Bureau of Business Research, reported the "slow and slight decline in Pennsylvania business activity that began last year appears to have come to an end."

Most of the major sectors have failed to show much change, for better or worse, Shilling said, and current economic indicators do not give firm clues to potential changes in the near future.

Steel was the one exception in Shilling's analysis. The steel industry is "enjoying a small boom of its own," he said, in response to a high rate of automobile assembly and to rapid inventory building by steel users.

All in all, he said, business activity in Pennsylvania "will certainly not slow down and is very likely to improve steadily during the next several months."

## A Lovelier You

By MARY SUE MILLER

SIGN LANGUAGE. Young damsels once were admonished, "Don't talk with your hands. A

lady keeps her hands folded in her lap."

If a teen were to follow that advice today, she would seem a stiff, shy child. Yet it would be better to clench the hands in tight fists than to let them fidget with your hair or jewelry. Fidgeters really show a childish lack of poise. They are annoying to others, too.

There is a vast gulf between fidgets and gestures. Pointing up a remark with an occasional gesture appears natural and charming. But mind, when you speak, that you are sparing with your gestures. Wildly flapping hands divert attention from your ideas. They catch the eye, not the ear.

Whether or not your hands are in motion, they still talk. They speak in a sign language all their own. What they bespeak is y-o-u. When they are well-groomed they tell the nicest things about you. When they are grubby, they tell of unattractive qualities.

To make happy talk, hands only need be sudsed clean and lotion smooth. Nails should be

## DEATH

SAN DIEGO, Calif. (AP)—John Burnham, 84, founder of a nationwide investment banking firm, died Saturday. He founded the John Burnham & Co. in Chicago early in the century and developed it into one of the nation's principal investment firms before he retired in 1924.

DECATUR, Ga. (AP)—Fred Ohl, 59, director of special services for the television, radio and audio visual committee of the Presbyterian Church, U.S.A., died Saturday. Ohl, was born in Iowa City, Iowa.

PORT ELIZABETH, South Africa (AP)—Clark A. Failing, managing director of the Goodyear Tire and Rubber Co. plant in nearby Uitenhage, was killed Saturday in an automobile accident. Failing had been associated with Goodyear for 38 years.

PESHAWAR, West Pakistan (AP)—Prof. Lester I. Osborn, 50, of Colorado State University, died Sunday of a heart attack. He was chief of a Colorado University party working in Pakistan and was attached to Peshawar University.

filed in neat ovals; cuticles should be tidy; polish, if used, should be pale perfection.

Given just that much attention, the hands respond with the kind of looks that bring "ahs" of admiration. Otherwise the word is apt to be "ugh!"

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.
